## Safety Recall Notice

December 16, 2020

Dear Valued Retailer:

Logan Outdoor Products, LLC d/b/a Camp Chef, in cooperation with the U.S. Consumer Product Safety Commission (CPSC), is voluntarily recalling portable stove Models MS40A, MSHP, MSGG with component gas regulators date coded "1923" through "2030". Our records indicate that you carried one or more of these affected models.

**Description:** This recall involves Camp Chef portable stove Models MS40A, MSHP, MSGG with component gas regulators date coded "1923" through "2030". The Model name is located on the manufacturers label on the stove. The gas regulator date code is engraved on the regulator.

- Model MS40A; UPC 0-33246-21520-4 *Mountaineer 2 Burner stove*
- Model MSHP; UPC 0-33246-21643-0 *Everest 2 Burner*
- Model MSGG; UPC 0-33246-21642-3 *Rainier 2 Burner*

**Hazard:** An internal part of the gas regulator component may have a burr that may wear or tear a hole in the seal causing gas to leak out of the top of the regulator and present a fire hazard.

**What to do?** Enclosed is a poster informing consumers of this voluntary recall. We ask that you please distribute and display it in your stores that once carried the item. The poster is to be displayed for **120 days from today as noted on it.**

Please call Camp Chef customer service to arrange for the return of all your remaining inventory of all models MS40A, MSHP and MSGG and to receive a full credit. Please contact us toll free **800-783-8347** between 7:00 a.m. and 5:00 p.m. Mountain Time, Monday through Friday.

As always, we appreciate your continued support and business.

Thank you,
